style and colour:50567029-10281120-405, 50567027-10280651-499
* Fullness on collar
*Pleat at collar
*Fabric defects – loose yarn (please take approval from Hugo Boss office)
*Collar bone currently 51 mm; work book 48 mm
*Fullness at cuff button area
*collar bone channel impress mark (50567027-10280651-499)
*gusset shape off
*As discussed with Matio in front of Dragon, collar and cuff should use SE310 fusible light GSM interlining for bulk production
