AMSTERDAM TECH COMMENTS

Vendor: LAGUNA
Fitting date: 20.10.25
Present in fitting: Siobhan
Sizes reviewed: 74 & 8

Please note I did not request a size 74 fit sample

Workmanship Comments

- Please ensure the neckline is a smooth and even curve, with clean stitching throughout.
- Buttonhole placement should align precisely with the center front placket.
- Buttons should be securely attached, with no loose threads.
- Placket and collar edges should be crisp and symmetrical.
- Ensure hems are cleanly finished with even tension and no puckering.
- Side seams and armholes should be neatly constructed with consistent seam allowance.

Measurements out of tolerance

- Please see comments in MSC review, in comment column.

Fit & Pattern comments:

- overall fit ok
- please note that tri label has been corrected as per our standard in all season previous to spring 26
- Size offer updated to include size 74, 80,86
- i have moved AW under pocket to be 0.5cm from pocket edge
